Continued Service Provision

30. Switch Telecom will not disconnect a service provided to the Customer which is the subject of a Billing Dispute Notice, or take adverse collection procedures or impose late payment penalties or charges, while attempting to resolve a Billing Dispute lodged in terms of the Billing Disputes Procedure and until such time as Switch Telecom has reached a determination and communicated this to the Customer, provided that Undisputed Amounts are paid timeously.

32. Subject only to the above, the rights and obligations of each party under the Billing Disputes Procedure continue pending resolution of a Billing Dispute invoked under this Billing Disputes Procedure. For the avoidance of doubt, this includes that Switch Telecom shall continue to have the right to terminate or suspend the service in accordance with Switch Telecom’s rights under the agreement that the Customer has with Switch Telecom.
